In re Application of

Naguib et al.

Application No. 09/687,238 ON PETITION

Filed: October 13, 2000

Attorney Docket No. Calderbank 2000-0238

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed August 25, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of the Issue Fee Transmittal with issue fee payment; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the response has been accepted as having been unintentionally delayed.

Petitioner submitted \$1300.00 for payment of the petition fee. However, the petition fee is \$1500.00. Accordingly, an additional \$200.00 was charged to petitioner's deposit account as authorized.

A Correspondence Address Change Form was received with the instant petition. However, the address listed on the form did not match the address associated with Customer Number 26652, which was also listed on the form. Currently, the address has been changed to reflect the address associated with the Customer Number. A courtesy copy of this decision will be mailed to the other address listed on the Correspondence Address Change Form; however, the Office will mail all future correspondence solely to the address of record unless notified otherwise.

This matter is being referred to the Publishing Division for processing into a patent.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3282.
